

# Pickleball Club Members— Help us Help Lake Keowee

We all have our own reasons for choosing to live in Keowee Key—but no matter how you define “More of What You Love,” we can all agree: we love Lake Keowee (and pickleball and tennis, of course!). So let’s rally together—for the lake. Join the Keowee Key Tennis Association (KKTA) and Pickleball Club, along with **FOLKs (Friends of Lake Keowee)**, for our “Rally for Lake Keowee” Sweep on: **Monday, May 18th at 3:00 PM**

Details on the next page

This fun, community-wide cleanup is our chance to give back and help keep Lake Keowee clean and beautiful.

FOLKs will provide:

- \* Maps of targeted cleanup areas
- \* Trash bags, gloves and collection supplies
- \* We're looking for:  
**Boat Captains** (bring your boat!)  
**Boat Crews** (4–6 per boat)

Each boat will be assigned a designated area. Once we have our teams, we'll share maps and details—Boat Captains can coordinate timing and meet-up with their crews.

No boat? No problem! Added crew members are always welcome.

Grab your tennis partners, pickleball crew, neighbors, or friends—and make it fun. We might even have to declare a winner for “most trash collected” or “most interesting find”

We have booked the Leisure Trail pavilion to gather after we've done our clean up. There will be a little toast to our good work!

Not yet a member of FOLKs? Learn more at [www.keoweefolks.org](http://www.keoweefolks.org) and see how they help protect the lake we all enjoy.

**Ready to rally?**

Reply to [cajibrooks85@gmail.com](mailto:cajibrooks85@gmail.com) by **May 8th** to sign up as a Captain or if you are willing to be a crew member.

Once we have assigned boat captains, we will provide additional information on meet up time/ location.  
**YOUR LAKE NEEDS YOU—LET'S RALLY FOR IT!**  
See you on the water,  
**Keowee Key Tennis Association & Pickleball Club**
