

PICKLEBALL CLUB OF KEOWEE KEY

August Update

8/15/2024

Attention all Members!

New password for cameras is - DinkResponsibly

Thanks to all who have continued to renew their memberships!

Please remember to use the blower - located in the bin in the lower pavilion to remove the debris from the courts prior to using the VAPTR. This will extend the life of the fabric and maintenance fees.

Summer Open Play is Here!! All Levels of Play Welcome!!

Summer hours began 5/1 and end 10/31

We have a new misting fan located in the middle pavilion. It is for all members to use. Please be sure to charge after use. A jug of water is there to fill reservoir.

Please do not turn the audio on when viewing the courts on ReoLink

Spread the word -

- Player Development August 21 8AM - 10AM

Next new member orientation will be in September. There will not be an August session.

3rd and Final Refresher will be held Wednesday September 11 from 5PM-6PM. Learn how to use our ball machine, dink master, top spin pro, SPOND & JONAS. Followed by **WONDERFUL WEDNESDAY** from 6-8 PM. BYOB Club will provide pizza. More information to follow. Plan to come out and play with other members.

KK Dedicated Pickle Ball Usage

The PB Committee is now able to track usage by month, week, day and time slot. This will help all members understand capacity constraints (no/few courts available) and how we will better manage them. More information in our end of month newsletter.

DINK RESPONSIBLY & STAY HYDRATED!!

Club Membership: 397

Welcome

New Members:

Kim Bodell

Cheri Jackson

Steven Kierghaber
