**Interclub Update**- For details on our New Interclub Guidelines please click the following link <u>keoweekeypickleball.org/club-info</u>

**PB Campus Employee Update** - The FRC has filled our beloved Joe Brooks role with 2 part time employees. Billy Webb will be responsible for building and grounds. Bob Daffin will be responsible for the (tennis and pickleball courts). As issues arise on/around PB courts please do not contact Billy or Bob; instead funnel all concerns to Rob Nance (PB Committee grounds and maintenance rep) he will work directly with Bob and Billy to get concerns addressed. Rob can be reached at <u>rgnance4@gmail.com</u>

**Coming Soon PB101 "Refresher"**- Learn how to properly use the ball machine, VAPTR drying machine, effectively use SPOND and review court etiquette. Details to follow.

**Court Reservation System** -Jonas is the system we use for most of our KK reservations. It is accessed through our KK website. Courts can be reserved up to 72 hours in advance of play. Please send SPOND invitations out a week prior and be sure to cancel courts not in use at least 24 hours in advance of play. The dual lined courts should only be used when all other dedicated courts are booked.

Please remember to warm up on these cold mornings prior to play and wear lots of layers!

DINK RESPONSIBLY AND HAVE FUN!!
