

12/23/19

Pickleball Club Members,

Happy holidays to all!

The first pickleball party of the new year is being planned for Sunday, January 19th from 2-5 pm. Please mark your calendars. Details will follow.

After the holidays, we will begin publishing regular blasts to keep you up to date with pickleball events and other matters that may be of interest.

At this time I would like to pass along information about a new pickleball lesson package that is being offered by Ward Snyder, one of our pickleball pros. The page below provides details about this package. If you are interested, please sign up with Ward by December 31 (wsnyder@kkpoa.com).

Have a Merry Christmas and safe and enjoyable New Year!

All the best,

Ann

WARD'S TO THE WISE CUSTOM PICKLEBALL SERIES

I have an exciting and innovative series of lessons for the New Year as follows:

1. 5 lessons (1 hour each) **Can be taken individually or it can be shared with your doubles partner (if preferred)**
2. The lessons will commence on Ward's watch in the New Year.
3. Goal is to customize the series to focus on a specific mechanical and strategic game component in each lesson.

The Series will begin with:

- A. Lesson 1 Dinks and 3rd shot drops
- B. Lesson 2 Volley technique (defensive and offensive)
- C. Lesson 3 Serve and return of serve
- D. Lesson 4 Specialty shots—half volleys, drop shots, angle volleys, chip/charge return of serve, lobs and overheads
- E. Lesson 5 Bonus lesson with format TBD by you.

Cost: \$250.00 Pay as you go OR pay upfront. Must commit by December 31st

GOAL OF THIS PROGRAM:

1. Focus on fundamentals to build on beginning with a can't miss dink shot.
2. Expose weaknesses and solutions
3. Add variety to your game
4. Build confidence toward better match play
5. Bring more FUN to your pickleball experience
6. By committing to a series and taking a lesson each week with Ward you will build momentum and should most definitely improve in some or all of the areas as mentioned above.

HOW DO I SIGN UP? Please sign up before December 31st to secure the savings.
