KEOWEE KEY PICKLEBALL CLUB UPDATE

President's Corner

Happy New Year! I am looking forward to serving as the president of the KK Pickleball Club. I especially want to thank Ann for her boundless energy and hard work that she put into the Club last year as president and the year before as the Social chairperson. I am excited about working with our new board and seeing where they will take us this year.

Going forward, I plan on sending out this twice a month, following the Club board meetings and mid-month to let you know any changes or upcoming events. If there are events coming up before the blast is scheduled, I will send out a reminder, so you can update your calendar.

Player Development

Thought for the day: **What is one fundamental that you can work on that will provide you with the most improvement to your Pickleball play?** Let's talk about it out on the courts.

On Wednesday 12/28 we had 20 participants with 4 Facilitators. The focus continues to be on fundamentals with attention to:

1. being ready at all times;
2. get to the ball;
3. important strategies;
4. court awareness
5. having fun

Wednesday 1/4/2017 is our next Self-Directed Player Development session. We look forward to having another big turnout.

See you on the courts.
