Interclub Update- Matches will begin in mid-March. Dates will be posted in our newsletters and Scuttlebutt for anyone who wants to come out and support your Keowee Key players.

Keowee Key ladies social interclub kicked off February 7 with over 50 women from various lake communities having a great time. A big thanks to Tish Fontana for organizing.

Coming Soon PB101 "Refresher"- Unfortunately our VAPTR's are showing pre-mature wear on the fabric from not properly lifting the machine off the surface prior to turning.

Learn how to properly use the ball machine, VAPTR drying machine, effectively use SPOND and review court etiquette. Details to follow.

Please remember to warm up on these cold mornings prior to play and wear lots of layers!

DINK RESPONSIBLY AND HAVE FUN!!
