

KEOWEE KEY PICKLEBALL CLUB UPDATE 7/8/19

President's Corner

Greetings Pickle Nation! The heat is here and the humidity is oppressive. Hydrate well before, during, and after play. If you play for long stretches, don't forget to replace the electrolytes you're losing while sweating it out! Pickle juice is a great drink that provides sodium, magnesium and potassium lost during a heavy sweat. Gatorade and other sports drinks are also recommended. Stay safe!

Important dates:

10 Jul 19- Women's Wine tasting and Pickleball

20 Jul 19- Mixed Doubles Tourney

Social Committee Update:

"We Don't Have to Go Back to School" Party and School Supplies Drive,
Saturday August 24th from 6:00 – 9:00 PM

We recently asked Josh Holliday, the principal of Keowee Elementary School, how our Pickleball Club could support the students of the school since they have to go back to school and we don't. He offered that schools supplies were always needed. In addition, Mr. Holliday noted that many students often require financial assistance for educational field trips. Therefore, we will be collecting the following items at our August 24th "We Don't Have to Go Back to School" bash:

Wide-ruled or college-ruled composition notebooks

PencilsCrayons

Tissues

Hand Sanitizer

*Or if you prefer, you may donate to the **Keowee Elementary Field Trip Scholarship Fund** by bringing cash or check (made out to Keowee Elementary School). If you cannot attend the party but would like to participate you may drop off school supplies at our house at 36 Lighthouse Way Drive, Salem, SC 29676 or mail checks made out to Keowee Elementary to the same address. Keowee Elementary School was chosen because it is the elementary school for our neighborhood.*

Thank you, in advance, for your support of these most deserving children.
